

Excellent Opportunities in the UAE for Paramedics!

Competent, Versatile, Problem-Solver and Communicative.
Does this sound like you?

We have just the right job for you! National Ambulance is providing excellent prospects for Paramedics to live and work in Abu Dhabi. Our organisation consists of highly trained paramedical staff from around the world.

We are in search for Paramedics with the following competencies and capabilities:

- Registered Paramedics with the Health Professions Council.
- Minimum 2 years of experience as a Paramedic with an up to date CPD portfolio.
- Experience in clinical training & competence evaluation is beneficial.
- Certifications in ACLS, PALS or CPR Instructor are desirable.
- Ability to communicate clearly (written and verbal) with management, co-workers and customers, while working in a multi-cultural team.
- Ability to meet deadlines, maintain accuracy / attention to detail and multitask.

We provide an accompanied package:

- Competitive tax free salary from AED 288,000 (approx. 48K GBP)
- Housing
- Health insurance
- Leave flights
- CPD training

And more!

To express your interest, submit your CV today with copies of relevant certificates/portfolio to:

paramedics@nationalambulance.ae
For selected candidates, there will be interviews held in London 6-7th March 2012, and Manchester 8th March 2012.
